

## Call for general submissions: *The Society of Americanists Review*

Following the publication of our second annual volume, the editors of SOAR are pleased to announce that we will begin to move to a twice-annual publication schedule! In support of this goal, we invite the submission of general interdisciplinary scholarship relating to the culture of the United States. The journal publishes work in a variety of formats, including research articles; forum, discussion, memorial, and state-of-the-field essays; dialogues and interviews; reports on programs, organizations, and pedagogy; as well as book, exhibit, and media reviews. Submissions undergo a rigorous multi-tiered peer review process that includes the journal's editorial staff, advisory board members, and external reviewers.

For more information about how to submit to SOAR, see our [submission guidelines](#). Submissions can be made directly through our website.

**Deadline for submissions: September 01, 2021.**
